

Allergen List

Image	Product Name	Allergens	Notes	Product Description
	Orion Mini Cola	None	None	Small, fizzy ramune-style candies with a cola flavor, often in a miniature bottle-shaped container
	Sugimotoya Maken Gummy Akuma no Mi Flavor One Piece	Gelatin, Orange	None	The gummy is shaped like a hand (often representing the "rock" gesture from rock-paper-scissors) and features a "Devil Fruit Flavor," inspired by the mystical fruits in the One Piece story. The flavor is sometimes described as fruit cider
	Kamiya Flower Yogurt	Soy	None	A general type of yogurt-flavored product
	Matsuyama Seika Punch Cola Special	Milk	This product is manufactured in a factory that also produces products containing eggs and dairy ingredients	This is an instant tablet drink from Matsuyama Seika with a strong cola flavor, marketed as a "Special" version of their Punch Cola. The tablets dissolve in water to create a fizzy, cola-flavored beverage
	Yuraku Black Thunder Tirol Choco Milk	Milk, Wheat, Soy, Almond	None	A collaboration product combining Black Thunder with Tirolian chocolate, likely featuring a milk chocolate flavor
	Chirin Seika Kagikko Choco	Milk, Soy	None	This is a chocolate candy produced by Chirin Seika. "Kagikko" relates to the Japanese word for "key," and the candy is characteristically shaped like a key. It is a small, playful chocolate snack
	Eguchi Seika Grape Ball	Apple	This product is manufactured in a facility that also produces products containing dairy ingredients and peaches	This is a hard or firm jelly candy from Eguchi Seika with a grape flavor. It is a small, round or semi-circular candy with a fruity grape taste
	Eguchi Seika Cola Ball	Apple	This product is manufactured in a facility that also produces products containing dairy ingredients and peaches	This is a hard or firm jelly candy from Eguchi Seika with a cola flavor. It is a small, round or semi-circular candy that offers a sweet cola taste
	Eguchi Green Apple Ball	Apple	This product is manufactured in a facility that also produces products containing dairy ingredients and peaches	This is a hard or firm jelly candy from Eguchi Seika with a green apple flavor. It is a small, round or semi-circular candy with a fruity taste
	Eguchi Seika Cider Ball	Apple	This product is manufactured in a facility that also produces products containing dairy ingredients and peaches	This is a hard or firm jelly candy from Eguchi Seika with a clean and refreshing cider (Japanese soda) flavor. It typically comes in a small, round or semi-circular shape
	Kosho Mitsu Anzu	None	None	A type of traditional Japanese "dagashi" (cheap snack) consisting of candied apricots. These apricots are typically preserved in a sweet syrup or honey, resulting in a sweet and sour, sometimes jam-like, treat
	Kyoshin Fruits no Mori	Wheat	This product is produced on the same line as products that use soybeans.	A jelly or gummy candy with fruit flavors, "Fruits no Mori" means forest of fruits
	Kakudai Kuppy Ramune	None	None	Small, fizzy ramune candies with various fruit flavors, known for their cute animal packaging
	Kyoshin Kibi Dango	Egg, Soy	The soybeans used in our Kinako are produced and distributed separately to prevent contamination with genetically modified organisms	Small, sweet, and chewy millet dumplings, famously associated with the folk tale of Momotaro

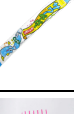

Image	Product Name	Allergens	Notes	Product Description
	Atrion Pachipachi Panic Grape	Milk	Produced on equipment shared with products containing egg	Popping candy with a grape flavor
	Atrion Pachipachi Panic Soda	Milk	Produced on equipment shared with products containing egg	Popping candy with a soda flavor. "Pachi Pachi" is an Onomatopoeia for a crackling or popping sound
	Nyuudou Chicchaku Natta Maken Gummy Grape Flavor	Soy, Gelatin	None	Maken Gummy is known for its unique shape, often resembling a hand making a "rock" symbol from the game rock-paper-scissors. The longer Japanese name likely indicates a specific edition or packaging of this grape-flavored gummy. The gummy has a grape taste and a chewy texture
	Glico Bisco Mini Pack Strawberry	Milk, Wheat	Contains lactic acid bacteria cream that reaches the intestines alive	A sweet and slightly tart strawberry flavored cream filling between two crispy biscuits. Like the original Bisco, it contains lactic acid bacteria and dietary fiber
	Sanritsu Seika Choco Bat Ace	Milk, Wheat, Soy	None	A chocolate-covered bar-shaped cake or cookie snack
	Pine Sherbet Pero Cola	Milk, Orange	None	A lollipop with a sherbet powder dip, in cola flavor
	Orion Ume Mintz	Gelatin	None	Small, round candies with a sour plum (ume) flavor
	Kado Amaika Tarou Kimchi Flavor	Wheat, Soy, Squid, Shrimp	None	Sweet and savory dried squid snacks with a kimchi flavor. "Amaika" means sweet squid
	Kit Kat (Matcha)	Milk, Wheat, Soy	None	Kit Kat fingers with a green tea (matcha) flavored chocolate coating
	Yuraku Black Thunder	Milk, Wheat	None	A chocolate bar with a crunchy cocoa-flavored cookie and a piece of hard biscuit. Known for being "delicious and cool with a jolt of lightning."
	Yaokin Long Neck Marshmallow	Gelatin	Our production facilities manufacture products that contain wheat, eggs, milk, and peanuts.	This is an elongated marshmallow from Yaokin, known for its soft and fluffy texture and colorful, twisted design. 1 It is notably long, measuring around 20 cm (approximately 7.87 inches)
	Saka Nata de Coco Jelly	Apple	None	Jelly containing nata de coco, a chewy, jelly-like substance produced by the fermentation of coconut water
	Yaokin Guru Guru Jelly	Apple	None	The name "Guru Guru" (meaning winding or coiling) suggests a fun way the jelly is dispensed or eaten, possibly by squeezing it out in a swirling motion. It is available in various flavors
	Yaokin Sour Paper Candy Cider	Wheat	None	This is a thin, flat, paper-like chewy candy from Yaokin, known for its sour coating and refreshing cider (Japanese soda) flavor. It provides a chewy texture and a tangy taste experience
	Kyoshin Mocchan Dango	None	The factory where this product is manufactured also produces products containing milk ingredients, eggs, soybeans, and peaches.	Small, chewy mochi (rice cake) pieces on a stick, often with different flavors

Image	Product Name	Allergens	Notes	Product Description
	Kakudai Kuppy Ramune	None	Produced in facilities that also produce products containing egg and dairy ingredients	Small, fizzy ramune candies with various fruit flavors, known for their cute animal packaging
	Coris Awa Soda Ramune	None	There may be some swelling, but please don't worry	Fizzy ramune (japanese soda) flavored candies. "Awa" means bubbly or fizzy
	Meiji Gum Gaburichu Cola	Milk, Soy, Gelatin	None	It features a distinct cola flavor and is characterized by its satisfyingly chewy texture. It is often available in a stick format
	Glico Bisco Mini Pack	Milk, Wheat	Contains lactic acid bacteria cream that reaches the intestines alive	This is a popular cream sandwich biscuit from Ezaki Glico. The mini-pack contains a smaller portion of the crispy biscuits with a creamy filling (typically milk flavored). Bisco is known for containing lactic acid bacteria and dietary fiber, promoting good digestion, and is a popular snack for both children and adults
	Yaokin Sour Cider Gummy	Gelatin	None	This is a gummy candy from Yaokin that offers a sweet and tangy cider (japanese soda) flavor. It has a sour coating or taste and is frequently shaped like miniature soda bottles
	Meiji Gum Gaburichu Ramune 1 pc	Milk, Soy, Gelatin	None	This is a soft and chewy candy from Meiji Chewing Gum Co., Ltd., featuring a refreshing ramune (japanese soda) flavor. 1 It has a satisfyingly resilient texture and is often sold individually in a stick format or in small bags of mini pieces
	Chirin Seika Puchipuchi Uranai	Milk, Soy	None	Small chocolate or candy pieces that come with a small fortune-telling (uranai) element
	Yaokin Ninjin Arare	None	It is produced in the same facility as products containing wheat.	Ninjin Arare is a classic "dagashi" (cheap japanese snack) from Yaokin. It consists of small, puffed rice crackers that are lightly sweetened, and it is famously sold in a distinctive carrot-shaped plastic bag. Despite the packaging, the snack itself does not contain or taste like carrots; "Ninjin" (carrot) refers only to the
	Yaokin Sour Cola Gummy	Gelatin	None	This is a gummy candy from Yaokin known for its combination of sweet cola flavor and a tangy, sour coating or taste. 1 It often comes in fun shapes like cola bottles or in a flat, chewy strip format
	Meiji Gum Gaburichu Grape 1 pc	Milk, Soy, Gelatin	None	It features a sweet and juicy grape flavor and is known for its satisfyingly resilient texture, often available in a stick or mini-ball format.
	Yotchan Cut Yotchan	Wheat, Soy, Squid, Gelatin	None	Shredded and seasoned dried squid snack with a salty and slightly spicy flavor
	Yaokin Sour Paper Candy Cola	Wheat	None	This is a thin, flat, paper-like chewy candy with a strong, sour, and fizzy cola flavor. It offers a unique texture and an intense burst of taste
	Yaokin Kinako Bou	Soy	The soybeans used in our Kinako are produced and distributed under separate management to prevent contamination with genetically modified organisms.	Kinako Bou is a traditional japanese chewy candy or nougat-like snack made primarily from kinako (roasted soybean flour) and a sweetener like starch syrup or honey. It has a unique savory and slightly sweet flavor with a dense, chewy texture, often dusted with more kinako
	Orion Cocoa Cigarette	None	None	Small, stick-shaped cocoa-flavored candies packaged to resemble cigarettes
	Kado Fried Potato	Wheat, Milk, Soy	None	The Taro series of treats that are good at Kado, a famous designer in the dagashi industry. American (USA feeling)? A sweet french french treat. The individual packaging also comes with a cute illustration, so it can be used to give out at events.
	Kado Tamanegi-san Tarou	Wheat, Milk, Soy	None	Small, crispy snacks with an onion flavor

Image	Product Name	Allergens	Notes	Product Description
	Kado Yakisoba-san Tarou	Wheat, Milk, Soy	None	Small, flat, dried commentary (fish paste) snacks with a stir-fried noodle (yakisoba) flavor
	Pine Sherbet Pero Cider	None	None	A lollipop with a sherbet powder dip, in cider (Japanese soda) flavor
	Kado Noshiume-san Tarou	Wheat, Milk, Soy, Squid	None	Small, flat, dried commentary (fish paste) snacks with a sweet and sour pickled plum (noshiume) flavor
	Kado Sudako-san Tarou	Wheat, Milk, Soy, Squid, Crab	None	Small, flat, dried commentary (fish paste) snacks with a sour pickled octopus (sudako) flavor
	Kado Don Don Yaki	Wheat, Milk, Peanut, Soy	None	Small, crispy rice crackers flavored with savory sauce and seaweed
	Kado Do-n Tarou	Wheat, Milk, Soy	None	This is a snack from the Kadao "Taro" series, consisting of small, noodle-shaped pieces. It has a savory flavor, often described as being similar to noodle soup or sauce. It's a crispy and easy-to-eat snack
	Kado Yakiniku-san Tarou	Wheat, Squid, Soy	None	Small, flat, dried commentary (fish paste) snacks with a grilled meat (yakiniku) flavor
	Kado Wasabi Nori Tarou	Wheat, Squid, Soy	None	Small, flat, dried commentary (fish paste) snacks with a wasabi and seaweed (nori) flavor
	Kado Kabayaki-san Tarou	Wheat, Squid, Soy	None	Small, flat, dried commentary (fish paste) snacks with a sweet and savory grilled eel (kabayaki) flavor
	Eiwa Winnie the Pooh Ichigo Choco Marshmallow	Milk, Gelatin, Soy	The factory produces products containing wheat and eggs	Marshmallows with a strawberry and chocolate filling, featuring Winnie the Pooh packaging
	Yaokin Umaibo Sugar Rusk Flavor	Wheat, Egg, Milk, Soy	The corn used as a raw material is produced and distributed separately to prevent contamination with genetically modified organisms.	This is a popular puffed corn snack stick from Yaokin that replicates the sweet, buttery flavor of sugar rusk. It maintains the signature light and crispy Umaibo texture, often with a slightly denser consistency to evoke the feel of rusk
	Takaoka Ichigo Mugi	Wheat, Milk, Soy	None	This snack consists of puffed wheat pieces coated in strawberry-flavored chocolate. It is known for its light, crispy, and airy texture combined with a sweet strawberry chocolate taste
	Kado Mochi Tarou Salt	Wheat, Peanut	None	Small, salted rice crackers
	Eiwa Hello Kitty Choco Marshmallow Boxed	Milk, Gelatin, Soy	None	Marshmallows with a chocolate filling, featuring Hello Kitty packaging. "Hakoiri" means boxed

Image	Product Name	Allergens	Notes	Product Description
	Yaokin Umaibo Cheese Flavor	Wheat, Milk, Soy	The corn used as a raw material is produced and distributed separately to prevent contamination with genetically modified organisms	This is a popular puffed corn snack stick from Yaokin with a pleasant and savory cheese flavor.
	Yaokin Fugashi	Wheat	Contains soybeans, manufactured on the same equipment as our commercial products	Fugashi is a traditional Japanese snack made from dried wheat gluten, typically coated in brown sugar. It has a unique texture that is crispy yet light and airy, often described as melting in your mouth. It's a classic and nostalgic "dagashi" snack
	Tohato Poteko Light Salt Flavor	None	Black Grains may be found in the product, these are potato skins	Ring-shaped potato snacks with a savory and delicious salt flavor ("Umashio")
	Pine Donguri Gum Cider	Milk	None	Acorn-shaped bubble gum with a cider (Japanese soda) flavor, often with a hard candy coating
